Subject: RE: Diamond Alkali OU3 Bill for Collection

Dawn,

Thank you for confirming that the CPG is paying the balance due on the Bill for Collection.

We understand that the CPG disagrees with Carol Dinkins' characterizations of the events of last spring that led to the departure from the CPG of Occidental Chemical Corporation, Maxus Energy Corporation and Tierra Solutions, Inc. My June 6, 2013 email confirming that the Bill for Collection could be paid in two separate increments was not intended as an endorsement of any particular version of those events, which largely occurred within the CPG (as it was then) and out of EPA's sight.

Regards,

-Sarah
